

EFPIA Disclosure Methodology Note Template

A working template for the methodology note that must accompany HCP/HCO disclosures, laid out in the mandatory Annex B structure of the EFPIA Code of Practice 2026, with prompts for what to cover under each heading.

For: Compliance, finance and transparency reporting teams preparing EFPIA-based disclosures, including Disclosure UK.

Company: _____ Reporting period: _____ Country: _____ Owner: _____

1. Definitions

- ☐ Define recipients (HCP, HCO) and transfers of value as used in your disclosure, consistent with the applicable national code. [\[Annex B\]](#)
- ☐ Explain any company-specific terms used in the report.

2. Disclosure scope

- ☐ State the reporting period (a full calendar year) and the legal entities and countries covered. [\[Art. 22.01\]](#)
- ☐ List the categories disclosed: donations and grants to HCOs, contributions to costs related to events, and fees for service and consultancy, with fees and expenses shown separately. [\[Art. 23.03\]](#)
- ☐ Explain how research and development transfers of value are identified and disclosed in aggregate.

3. Specific considerations

- ☐ Describe how cross-border transfers of value and payments through third parties are handled.
- ☐ Explain the treatment of multi-year contracts, cancelled events and partial attendance.

4. Data protection legal basis

- ☐ State whether you rely on consent or legitimate interest for naming HCPs. [\[Annex B\]](#)
- ☐ If consent: describe how consent is collected and withdrawn, and how refusals are disclosed in aggregate.
- ☐ If legitimate interest: summarise the balancing test and how recipients can exercise the right to object.

5. Form of disclosure

- ☐ Give the date of publication and the platform (company website or central platform). [Art. 22.03]
- ☐ State the language and currency, and whether amounts include or exclude VAT. [Annex B]
- ☐ Explain calculation rules, for example exchange rates and the date used to allocate a transfer to a period.
- ☐ Confirm the report is machine-readable, downloadable and searchable by recipient name. [Annex B]

6. Additional information

- ☐ Add any national requirements and a contact point for questions about the disclosure.

The headings follow Annex B of the EFPIA Code of Practice 2026. The prompts under each heading are Eunomia's practical suggestions; national codes may add requirements. Not legal advice.
